Yes. We can coordinate with their payroll/PP+ person to load our work into the Vegas employee's profile. It will be up to each individual then to code their regular time to their workcode and their OT to ours.

Thanks!

Heather, is it possible for Las Vegas staff to charge overtime to 06L for Lowerline site work (T 000DC6)?

Chris, do they know to charge regular payroll to their home org?

Thanks,

Chris, is R6 paying for Las Vegas staff payroll during site work at Lowerline? Or should they be charging payroll to their org code?

Subject: Charging codes for upcoming New Orleans Site Work

Good Morning,

Does anyone have any information (or can suggest another contact) regarding the charge codes for travel and payroll for the upcoming New Orleans Site Work? This trip is quickly approaching and to my knowledge, the funding codes and/or cross-funding has not been set up.

Thank you,
Vivian
